Highlights

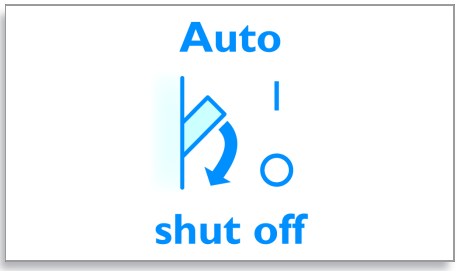
Ionic DeepSteam

The ionization process creates smaller steam particles that reach deeper into the fabric. This means even the toughest creases are removed easily.

SteamGlide PLUS
For the best results you need a soleplate that has the optimal balans between gliding and stretching. This is offered through SteamGlide PLUS with its easy glide zone and perfect stretch zone.

Steam boost up to 170 g/min
Applying the steam boost will release a steam shot up to 170 g/min to remove even the toughest creases.

Automatic safety shut-off



The electronic safety shut-off automatically switches the iron off when it is left unattended or tips over.

Extra-long 3 m cord
With the extra-long 3 m cord, you can easily reach right up to the edges of your ironing board - and further!
